Benjamin de Jesus
FULLSTACK WEB DEVELOPER

http://www.benjamindejes.us | bdejesus@stanfordalumni.org | (724) 581-1581 | Brooklyn, New York, US

I aim to provide seamless, accessible experiences for audiences on the web. I value clarity in communication and code writing, and leverage creativity, focus, and empathy to help teams achieve their goals. With a proven background in project management, design, marketing, and data analysis, I bring a unique set of technical skills that would make me an asset to any company.
